September Return to School 2021

Dear Parents and Carers,

Hope that you are all well. We are looking forward to welcoming the children back to school on Wednesday 8th September. As you are aware, the guidance for schools has changed and there will no longer be a bubble system. As COVID rates are still very high in Hull we would ask that you all remain vigilant. We will still have control measures in place;

- I. Ensuring good hygiene for everyone.
- II. Maintaining appropriate cleaning regimes.
- III. Keeping occupied spaces well ventilated.
- IV. Following public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

Kingswood Parks has a contingency outbreak management plan outlining what steps we would put in place if children, pupils, students or staff test positive for COVID-19, and how we would operate if we were advised to take extra measures to help break chains of transmission.

Breakfast Club and the length of the school day will be returning to how it was pre COVID. Please see below for times.
