1 Introduction

- 1.1 The Trust Board is committed to the highest possible standards of honesty and integrity, and we expect all staff to maintain these standards in accordance with our Code of Conduct. However, all organisations face the risk of things going wrong from time to time, or of unknowingly harbouring illegal or unethical conduct. A culture of openness and accountability is essential in order to prevent such situations occurring or to address them when they do occur.
- 1.2 This policy has been updated and implemented following consultation with the recognised trade unions. It has been formally adopted by the Trust Board.
- 1.3 This policy does not form part of any employee's contract of employment and we may amend it at any time.

2 Scope and purpose

- 2.1 The aims of this policy are:
 - 2.1.1 To encourage staff to report suspected wrongdoing as soon as possible, in the knowledge that their concerns will be taken seriously and investigated as appropriate, and that their confidentiality will be respected.
 - 2.1.2 To provide staff with guidance on how to raise concerns.
 - 2.1.3 To reassure staff that they should be able to raise genuine concerns without fear of reprisals, even if they turn out to be mistaken.
- 2.2 This policy applies to all employees of the Trust, governors, consultants, contractors, casual and agency staff and volunteers (collectively referred to as staff in this policy).
- 2.3 However, this does not apply to child protection procedures which must always be disclosed.

3 What is whistleblowing?

- 3.1 Whistleblowing is the disclosure of information which relates to suspected wrongdoing or dangers at work. The law provides protection for workers who raise legitimate concerns about specified matters or "qualifying disclosures". A qualifying disclosure is one made in the public interest by a worker who has a reasonable belief that there are wrongdoing or dangers at work. This may include:
 - 3.1.1 criminal offence or activity;
 - 3.1.2 miscarriages of justice;
 - 3.1.3 the health and safety of an individual has been/is likely to be endangered;
 - 3.1.4 damage to the environment;
 - 3.1.5 failure to comply with any legal or professional obligation or regulatory requirements;

- 3.1.6 bribery;
 - 3.1.7 financial fraud or mismanagement;
 - 3.1.8 negligence;
 - 3.1.9 breach of our internal policies and procedures including our Code of Conduct;
 - 3.1.10 conduct likely to damage our reputation or financial wellbeing;
 - 3.1.11 unauthorised disclosure of confidential information;
 - 3.1.12 unethical behaviour
 - 3.1.13 the deliberate concealment of any of the above matters.
- 3.2 **Appendix 1** are examples of the kind of issues the Local Governing Body/Trust Board would consider as malpractice or wrong-doing that could be raised under this policy. This should not, however, be regarded as a complete list.
- 3.3 A whistleblower is a person who raises a **genuine concern** relating to any of the above. If you have any genuine concerns related to suspected wrongdoing or danger affecting any of our activities (a whistleblowing concern) you should report it under this policy.
- 3.4 This Whistleblowing Policy is not intended to be used for complaints relating to a persons own personal circumstances, such as the way they have been treated at work. In these cases, other more appropriate procedures are available for example: -
- Grievance Procedure for Teaching and Support Staff
Anti-Harassment and Bullying Policy
Child Protection/Safeguarding Policy
- 3.5 If your concern is in relation to safeguarding and the welfare of pupils at the school, you should consider whether the matter is better raised under the school's Safeguarding policy and in accordance with the arrangements for reporting such concerns, i.e. via the designated safeguarding lead, although the principles set out in the is policy may still apply.
- 3.6 If you are uncertain whether something is within the scope of this policy, you should seek independent advice from: -
- a) A member of the School and/or Trust's leadership team
 - b) Your trade union (see **Appendix 3**)
 - c) The Independent Charity Public Concern at Work whose lawyers are available to give free confidential advice at any point in the process. Their helpline is 020 7494 6609

4 Raising a whistleblowing concern

4.1 We hope that you will be able to raise any concerns with your line manager. You may tell them in person or put the matter in writing if you prefer, using the attached Whistleblowing Form (**Appendix 5**). They may be able to agree a way of resolving your concern quickly and effectively.

4.2 However, where the matter is more serious, or you feel that your line manager has not addressed your concern, or you prefer not to raise it with them for any reason, or they are the subject of the complaint, then you can raise the matter with:

4.2.1 The Chief Executive Officer (CEO), Humber Education Trust.

4.2.2 The Headteacher/Principal. This is the member of the senior team who is responsible managing whistleblowing complaints.

4.2.3 The Chair of Governors

4.3 Contact details are set out at the end of this policy (see **Appendix 2**).

4.4 We will arrange a meeting with you as soon as possible to discuss your concern. You may bring a colleague or union representative to any meetings under this policy. Your companion must respect the confidentiality of your disclosure and any subsequent investigation.

4.5 We will take down a written summary of your concern and provide you with a copy after the meeting. We will also aim to give you an indication of how we propose to deal with the matter.

5 Confidentiality and data protection

5.1 We hope that staff will feel able to voice whistleblowing concerns openly under this policy. However, if you want to raise your concern confidentially, we will make every effort to keep your identity secret. If it is necessary for anyone investigating your concern to know your identity, we will discuss this with you.

5.2 We do not encourage staff to make disclosures anonymously. Proper investigation may be more difficult or impossible if we cannot obtain further information from you. It is also more difficult to establish whether any allegations are credible. Whistleblowers who are concerned about possible reprisals if their identity is revealed should come forward to one of the other contact points listed in paragraph 4.2 and appropriate measures can then be taken to preserve confidentiality. If you are in any doubt you can seek advice from Protect, the independent whistleblowing charity, who offers a confidential helpline. Their contact details are given at the end of this policy.

5.3 Where we receive anonymous complaints we will investigate the complaints as far as is reasonable taking into account:

5.3.1 the seriousness of the issue raised

5.3.2 the credibility of the concern; and

5.3.3 the likelihood of confirming the allegation from other sources

- 5.4 The Trust will treat personal data collected during this process in accordance with General Data Protection Regulation (GDPR) 2018 guidelines and HET's Data Protection Policy. It is a requirement that any persons involved with any meetings in relation to this procedure maintain strict confidentiality at all times. Work colleagues who accompany the employee at meetings should be particularly reminded not to discuss any element of the meeting inappropriately. Any breaches of the Data Protection Policy or confidentiality may be subject to disciplinary action.

5.5 Untrue Allegations — Disciplinary Offences

- 5.6 Under this procedure it will be a disciplinary offence to: -

make a disclosure found to be vexatious or malicious; or
obtain pecuniary benefit from a disclosure.

- 5.7 If an allegation is made in good faith, but it is not confirmed by the investigation, no action will be taken against the discloser.

6 External disclosures

- 6.1 The aim of this policy is to provide an internal mechanism for reporting, investigating and remedying any wrongdoing in the workplace. In most cases you should not find it necessary to alert anyone externally.
- 6.2 The law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body such as a regulator. It will very rarely if ever be appropriate to alert the media. We strongly encourage you to seek advice before reporting a concern to anyone external. Protect holds a list of prescribed regulators for reporting certain types of concern. Their contact details are at the end of this policy. Alternatively the list is available from the Department for Business, Energy & Industrial Strategy¹.
- 6.3 Whistleblowing concerns usually relate to the conduct of our staff, but they may sometimes relate to the actions of a third party, such as a contractor, supplier or service provider. In some circumstances the law will protect you if you raise a concern with the third party directly where you reasonably believe it relates mainly to their actions or something that is legally their responsibility. However, we encourage you to report such concerns internally first. You should contact your line manager or one of the other individuals set out in paragraph 4.2 for guidance.

External contacts

6.4 The schools hope this policy gives employees the reassurance they need to raise such matters internally. If, however, an employee feels unable to raise their concern internally HET would much rather an employee raises the matter with the appropriate agency than not at all. Provided an employee acted in good faith and they have evidence to back up their concern, an employee can contact any of the following: -

¹ <https://www.gov.uk/government/publications/blowing-the-whistle-list-of-prescribed-people-and-bodies--2>

External audit (the Audit Commission – 0844 798 3131 or 0117 975 3131)

Relevant regulatory organisations (such as the Department of Education, ESFA or Ofsted)

Their solicitor

The police

Other bodies prescribed under the Public Interest Disclosure Act. These include, but are not limited to the Information Commissioner's Office, the Serious Fraud Office, the Environment Agency, the Health and Safety Executive.

6.5 If an employee does refer their concern to an individual or organisation outside the school/Humber Education Trust, they will need to ensure that they do not disclose confidential information.

7 Investigation and outcome

- 7.1 Once you have raised a concern, we will carry out an initial assessment to determine the scope of any investigation. We will inform you of the outcome of our assessment. You may be required to attend additional meetings in order to provide further information.
- 7.2 In some cases, we may appoint an investigator or team of investigators including staff with relevant experience of investigations or specialist knowledge of the subject matter. We may in some circumstances, appoint an external person or body to investigate the concern. The investigator(s) will collate findings on the matter and may make recommendations for change to enable us to minimise the risk of future wrongdoing. This will be sent to the Head Teacher/Principal and/or Governing Body/Trust Board for actioning.
- 7.3 We will aim to keep you informed of the progress of the investigation, its likely timescale and outcome. However, sometimes the need for confidentiality may prevent us giving you specific details of the investigation or any disciplinary action taken as a result. You should treat any information about the investigation as confidential.
- 7.4 Where a concern is raised about an individual(s), once the concern has been investigated under the Policy, there may be a need for further investigation or action. This would take place within the framework of the Staff Disciplinary Procedures and Rules.

8 If you are not satisfied

- 8.1 While we cannot always guarantee the outcome you are seeking, we will try to deal with your concern fairly and in an appropriate way. By using this policy, you can help us to achieve this.
- 8.2 If you are not happy with the way in which your concern has been handled, you can raise it with one of the other key contacts in paragraph 4.2. Alternatively, you may contact the Chair of Governors or our external auditors. Contact details are set out at the end of this policy.

9 Protection and support for whistleblowers

- 9.1 It is understandable that whistleblowers are sometimes worried about possible repercussions. We aim to encourage openness and will support staff who raise genuine concerns under this policy, even if they turn out to be mistaken.
- 9.2 Staff must not suffer any detrimental treatment as a result of raising a genuine concern. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern. If you believe that you have suffered any such treatment, you should inform one of the contact people in paragraph 4.2 immediately. If the matter is not remedied, you should raise it formally using our Grievance Procedure.
- 9.3 Staff must not threaten or retaliate against whistleblowers in any way. Anyone involved in such conduct will be subject to disciplinary action.
- 9.4 In order to support an employee who raises a concern under this Policy they can access HET's Wellbeing Support on a confidential basis. **(Appendix 4)**

10 Review of policy
