# **AUTUMN 2023 MENU**

## **Kingswood Parks Primary School**

Fresh fruit & yoghurt available with every meal!

If your child has an allergy or special dietary requirements, please inform the school and our catering team, so we can discuss their needs.

We have highlighted the 14 allergens on our menus to help you make informed decisions. Some of

our recipes include 'may contain' information, but this is not included on our menus. This information is however available on our daily allergen matrix. Please contact your school cook for further information.

Gluten

Lupin

Peanuts

Additional items may be available at your school, i.e. jacket potatoes and sandwiches. Please speak to your school for further information.

Don't forget to turn the page to see the Autumn Term's upcoming promotions, a tasty recipe to make at home, and a nutritional good-to-know!

# Upcoming Events We hop with the

We hope that your children join in with the fun. Please check with your school for further information.

October 2023

## **Pumpkin Carving Competition**

#### All the Fun of the Fair

A great opportunity for your children to join their friends for a fun-filled lunch featuring popular food items found at a fair.

### Christmas Lunch

Children can celebrate and get in the traditional Christmas themed lunch.

#### December 2023

Our menus are not only tasty, but comply with the Government School Food Standards, meaning they are good for your children too. They will very occasionally need to change due to circumstances beyond our control, so please check with your catering team if your child has any dietary requirements.

We are unable to guarantee a completely food allergen-free environment, as foods containing allergens are used in this kitchen.

Find out if you are eligible to receive free school meals and apply in a matter of minutes by scanning here:

# Calcium

1 q Cinnamon

10 Muffin Cases

Calcium is a mineral that is essential in building strong bones when you're young, as well as keeping your teeth strong and healthy. Calcium also aids in regulating muscle contractions, including your heartbeat.

iam and apples)

into a bowl, and mix

together until smooth.

Foods that contain high levels of calcium include dairy products such as milk, yoghurt, and cheese. Additionally there are some green leafy vegetables which contain small amounts of calcium, as well as some foods that are fortified with

middle of each, cover

with the remaining mix

and any remaining apple.

calcium including cereals and bread. Find out more about information at: www. nhs.uk/conditions/vitaminsand-minerals/calcium/

Bake for about 20

mins, or until firm to

the touch and golden.

cool, sprinkle each with

a little of the mixed

sugar and cinnamon.

Did you know that around 99% of the calcium in our bodies is in our bones and teeth?
