

Kingswood Parks Primary School takes seriously its responsibility to safeguard all children and adults and have rigorous procedures in place to do so.

Message from Mrs Loten:

It has been an absolutely fantastic end to a wonderful school year. All the children once again, have been an absolute credit to themselves and they have all made wonderful progress. I know talking to them this week they have all enjoyed their transition days and are looking forwards to the next school year. The Year 6 children all enjoyed their transition into Secondary school and have come back with lots of exciting stories. Their final week in school has given them even more special memories of Kingswood Parks Primary. Their Levers production of 'The Jungle Book' was fantastic and congratulations on becoming published authors. We wish you all a happy and safe summer, see you in September.

Dates for your Diary

Wednesday 4th September—Children Return
Monday 30th September— Parents workshop—Phonics
EYFS

Tuesday 1st October — Parents workshop—Phonics Y1&2
Wednesday 2nd October— Parents workshop—Spelling
Y3&4

Thursday 3rd October— Parents workshop—Spelling Y5&6

Year 6:

We are so impressed with the whole of Year 6 and their incredible performances of 'The Jungle Book'—they absolutely blew everyone away! Not only are our Year 6's fantastic performers, but they are all now published authors. It was lovely to hear some of the children read extracts from their stories and see all of the tweets from other proud published authors at the book launch party.

Now, it is sadly time for us to say our goodbyes to them all but we know they will thrive at secondary school.

Foundation Stage:

Just like that the end of the year is here! We have had an amazing year with the children in Foundation and we are all so incredibly proud of each and everyone of them. In FS2, one of our highlights will certainly be sports day, it was so amazing to see all of the children trying their best and cheering their friends on in the process. During our Literacy lessons the children have finished writing our story "The treasure of Pirate Frank" and the pride they were each taking in their own work was priceless. We have also been turning ourselves into pirates decorating pictures of ourselves with pirate hats, maps and of course parrots. In FS1 they have also been very busy out in their garden where they have harvested a wonderful crop of potatoes, which I know the children have enjoyed in the form of chips, jacket potatoes and even roast potatoes. The children have also been on a walk of the local area exploring where they live. We hope you all have a wonderful summer!

Year 5:

Year 5 is finishing the year on a high, thanks to the visit from Zoolab, where the children can come (once again) up close and personal with some animals. In Geography, we have been learning about biomes around the world, learning about animals which live in these environments have supplemented our knowledge. Furthermore, we embarked on our biome in a box projects. In Design and Technology, we designed and sewn a bracelet, based on the Amazon forest. In Maths, we converted units of imperial measurements to metric. In Writing we have written an explanation text. In our Reading lessons, we had the chance to squeeze one more book in to read for pleasure, after completing our reading unit. The children have thoroughly enjoyed Gill Lewis' 'The closest thing to flying'. Sports day was a success and will hold many memories to cherish. The children enjoyed our athletics and rounder's units in PE during the last few weeks of school .

The Year 5 teaching team would like to wish all of you a restful summer and look forward to the children returning in September.

Year 3:

As a year group we would like to say how proud we are of what the children have achieved this year. Thank you all for attending the celebration evening and being apart of their success. In Maths we have finished with shapes and are now taking on statistics. In Writing we are writing instructions on 'How to grow a seed.' Which the children are experts from growing their own peas. In Science we have enjoyed learning about different types of rock and their properties and how they can be classified as sedimentary, metamorphic or igneous rocks. We are underway with sewing our sashes together and using the stitches we have learnt in our lessons. What a wonderful year it has been, enjoy the summer break. All the best from the Year 3 team.

Year 4:

We are so proud of what the children have achieved this year. They have demonstrated resilience, determination and respect all year. In DT, we have been sewing a patch for a patch-work blanket, inspired by learning of Ancient Greece. The children have been incredibly creative and produced some amazing designs that have now been brought to life! We were blown away by the children's violin performance at Connexin Live. The children have demonstrated resilience and independence all year in Music lessons and we know how proud Mr Rhodes is! Thank you to all who come to the work celebration night and we hope you enjoyed looking through the children's amazing work. Thank you for all your support this year- it has been amazing! Have a lovely summer! From the Year 4 team.

Year 1:

We have had a great half term doing our PE lessons on the field. We have done lots of running and different throwing activities. All of the children were fantastic during our sports day. Thank you to everyone who came to support us.

In our DT lessons, we have been busy sewing. We designed our own plant themed bookmarks and then we learnt how to do a running stitch. Our finished bookmarks looked amazing! In our Writing lessons, we have been thinking about how we could persuade someone to buy our bookmarks. We have thought of some great adjectives to describe our bookmarks and we think that people would definitely want to buy them!

In our Computing lessons, we have been typing a letter to our new teachers. We made sure that we used capital letters, full stops and spaces between our words.

Thank you for all of your support this year. We hope that you all have a lovely summer.

Congratulations to the Green House for winning the Cup this month!

Year 2:

In DT the children have enjoyed putting their sewing skills to the test to create their own owl bunting. They very carefully joined materials in different ways including using a running or over stitch and glue.

The children have worked hard in Computing to show data in a range of ways including bar charts and pictograms. They collated class results and presented them in their chosen ways. You can see their work on J2E.

Our final Writing unit was a discussion text and we had lots of fun debating whether animals could live in hot or cold places.

What a fantastic year we have all had in Year 2! We would like to say a huge thank you for all your support this year. We hope you have a lovely summer break and we wish the children lots of luck in Year 3.

Whole School Attendance: Target attendance is above 97%.

Our whole school attendance to-date for this year is 95.5%. Individual classes are as follows:

FS2G— 93.9%	FS2M— 94.4%	FS2R— 95.0%	YR1A— 96.0%	YR1C— 96.3%	YR1T— 95.7%
YR2D — 95.8%	YR2M— 95.0%	YR2S/M— 96.2%	YR3B— 95.1%	YR3Q— 96.1%	YR3S— 96.8%
YR4B — 94.6%	YR4M— 94.6%	YR4P— 95.2%	YR5C— 96.1%	YR5K— 95.5%	YR5R— 94.9%
